INTERSTATE 5 PAVEMENT REHAB PROJECT LANE CLOSURES CONTINUE EXPECT DELAYS

The California Department of Transportation (Caltrans) in cooperation with Granite Construction Company announces continued scheduled lane closures as part of a pavement rehabilitation project for Interstate 5 between the State Route 41 interchange to 3 miles south of the Utica Avenue Interchange near Kettleman City within Kings County.

24 hour lane closures continuing next week are as follows:

Beginning on Sunday night, July 12th at 12:00 midnight (7/13/2015) through Friday, July 17th at 2:00 p.m. crews will close one lane of a 2 mile section of SOUTHBOUND Interstate 5 near the State Route 41 interchange to perform roadway grinding, concrete panel replacement and paving operations. This lane closure will be for 24 hours per day; daytime and nighttime.

Beginning on Sunday night, July 12th at 12:00 midnight (7/13/2015) through Friday, July 17th at 2:00 p.m. crews will close one lane of a 2 mile section of NORTHBOUND Interstate 5 near the State Route 41 interchange to perform roadway grinding, concrete panel replacement and paving operations. This lane closure will be for 24 hours per day; daytime and nighttime.

During these closures, Interstate 5 will be reduced to one lane while crews are working. Commuters will experience delays and are encouraged to take alternate routes whenever possible. California Highway Patrol (CHP) will be on site assisting with traffic control. Motorists are expected to obey all traffic laws.

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please
